

Information about REACH MALLORCA

Hi!

We're so excited that you want to be part of the Reach Mallorca mission trip! Please find below some important information about the outreach.

Outreach price

The price of the outreach supported by us is **€649 plus flight and meals as required**. The price includes accommodation in holiday apartments, travel in rental cars on the island and all other outreach costs such as printed material, t-shirts, administration, etc.

Mallorca is quite expensive in the high season and because of the current sharp price increases. The real price for the outreach is around 700 euros per person. If you can afford it, it would be great if you could transfer this amount.

Cancellation of the outreach

If you fall ill shortly before the outreach or change your mind at short notice, we will need to retain the amount listed in our General Terms and Conditions.

Application

You can apply using the online registration form on this website. Your application is complete after receiving confirmation that you have been accepted as an outreach team member. You will then receive an invoice and need to transfer the application fee to the following account:

When does the outreach in Mallorca start?

The arrival date is 31 July 2026. The outreach starts the following day, 31 July 2026, with a meeting at the church. The return journey is on 10 August 2026.

A few tips when booking flights

Each participant is responsible for their own travel to Mallorca. To avoid any costs resulting from a cancellation, we recommend that you take out appropriate trip cancellation travel insurance and, if possible, book transferable flights through a travel agency. If possible, book so that you don't arrive in or leave Mallorca early morning or late evening (Arrival and departure preferably between 9am and 8pm).

There is a shuttle service from Palma airport to Santa Ponsa, where we will be staying in an aparthotel during the outreach. More information will follow a few weeks before the mission.

Meals

All participants are divided into small groups during the outreach. They will be living together in an apartment, have their meals together and form a carpool on the island. Breakfast will be eaten at the apartments, and for lunch and dinner, local supermarkets, restaurants, and snack bars are within walking distance. Meals are not included in the outreach price. Depending on your individual requirements, you should plan on spending between 5-10 euros a day.

Your support

Donations: The Mallorca outreach is a tremendous opportunity to reach thousands of people. In particular, the next outreach in 2025 will be much bigger than before in quite a few areas! We want to reach even more people with more teams and new outreach areas on the island! As the costs would otherwise have been even higher, we, the organising ministries (GOSPELTRIBE, JMG and THE FOUR), have decided to subsidise the outreach.

If God has placed it on your heart to make a donation to REACH MALLORCA so that people who don't have much money can take part or to cover the overall costs, then that'd be fantastic!

Please contact us, write an email to outreach@reachmallorca.com or transfer your donation to the following bank account with the reference: "Reach Mallorca":

Enjoy God's rich blessings! We're looking forward to seeing you!
