

A large crowd of people is walking along a paved path in an outdoor setting, likely a festival or fair. In the background, there are palm trees and modern buildings. The scene is captured in a warm, golden-hour light. Overlaid on the center of the image is a circular graphic with two concentric white lines. Inside the circle, the text "REACH" is at the top, "AYIA NAPA" is in the middle in a larger font, and "OUTREACH" is at the bottom. A horizontal white line separates "AYIA NAPA" from "OUTREACH".
